DETAILED ACTION

1. In view of the appeal brief filed on June 20, 2006, PROSECUTION IS HEREBY REOPENED. New grounds of rejection are set forth below.

2. To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) initiate a new appeal by filing a notice of appeal under 37 CFR 41.31 followed by an appeal brief under 37 CFR 41.37.

3. The previously paid notice of appeal fee and appeal brief fee can be applied to the new appeal. If, however, the appeal fees set forth in 37 CFR 41.20 have been increased since they were previously paid, then appellant must pay the difference between the increased fees and the amount previously paid.

4. A Supervisory Patent Examiner (SPE) has approved of reopening prosecution by signing below:

A handwritten signature in black ink, appearing to read 'Richard Ridley', is written over a horizontal line.

Response to Amendment

5. The amendment filed December 29, 2005 is objected to under 35 U.S.C. 132(a) because it introduces new matter into the disclosure. 35 U.S.C. 132(a) states that no

amendment shall introduce new matter into the disclosure of the invention. The added material which is not supported by the original disclosure is as follows: New drawing figures 5 and 6 introduce details into the disclosure regarding the arrangement of the output journal and three toothed evoloid gear within the device not included in the disclosure as originally filed. The originally filed disclosure does not show an output journal, gear 3 meshed with the output journal, or gear 3 sharing a common shaft with another gear as shown in figure 5.

Applicant is required to cancel the new matter in the reply to this Office Action.

Conclusion

6. This application is in condition for allowance except for the following formal matters:

Cancellation of the new matter introduced by way of the amendment dated December 29, 2005.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
